*'The International Journal of Nuclear Safeguards and Non-Proliferation' (IJNSNP)*

## Rolling Call for Papers with a Rapid Review Process

---

*Current Cycle: January to December 2023  
Volume n.65, issue n.1*

---

Dear followers of the ESARDA Community,

The editorial team of the ESARDA Bulletin invites authors to submit manuscripts in the form of research notes on special topics that we will publish on a rolling basis.

This Rolling Call for Papers is a new initiative by the ESARDA Bulletin aimed at publishing manuscripts on immediate research topics in a timely manner.

The ESARDA Bulletin is published once a year and is indexed in the **Scopus** abstract and citation database.

The publication covers the research topics of interest of ESARDA, which include:

- Non-destructive Analysis
- Destructive Analysis
- Arms control and Nuclear Disarmament Verification
- Geological Repositories
- Spent Fuel Verification and Spent Fuel Transfer
- Containment & Surveillance
- Process Monitoring
- Statistical Methodologies
- Implementation of Safeguards
- Nuclear Security
- Export Control
- Safeguards Methodologies

**In order to submit your manuscript, please follow the instructions below:**

- Read carefully the [Bulletin Publication Policy](#) to check if your paper is eligible for publication;
- Prepare a full paper in MS word format strictly following the new [Bulletin Paper Guidelines](#);
- Fill the [Bulletin Submission Form](#);
- Send the Manuscript in MS Word format and the signed Bulletin Submission Form to the ESARDA Bulletin email address [ec-esarda-bulletin@ec.europa.eu](mailto:ec-esarda-bulletin@ec.europa.eu)

Thanking you in advance for your interest in publishing your work in the ESARDA Bulletin, we are looking forward to receiving your manuscript.

Kind regards,

*Elena Stringa*
